Dear Shareholder,

2022 Annual General Meeting

I am pleased to send you details of the 2022 Annual General Meeting (the 'AGM') of TI Fluid Systems plc (the 'Company'), together with the Annual Report and Accounts for the year ended 31 December 2021 (the 'Report and Accounts').

The AGM will be held on 18 May 2022 at the offices of Latham & Watkins (London) LLP, 99 Bishopsgate, London EC2M 3XF and will start at 9 am. Shareholder registration will be available from 8.30 am.

We ask that you submit your proxy forms on resolutions to be considered at the meeting as soon as possible. Further instructions on completion of the form of proxy are set out in the 'Notes' section of this document.

The following documentation is enclosed with this letter:

- Notice of AGM, which sets out the details of the resolutions to be proposed at the AGM;
- Report and Accounts;
- Form of Proxy (to be valid the Form of Proxy must be completed and returned in accordance with the instructions printed thereon so as to be received by the Company's Registrar, Equiniti, as soon as possible and in any event not later than 16 May 2022 at 9 am, being 48 hours before the time appointed for holding the AGM).

Resolutions 1 to 15 and 19 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes must be cast in favour of the resolution. Resolutions 16, 17, 18 and 20 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1: Adoption of Reports and Accounts

The directors of the Company (the 'Directors') must present the report of the Directors and the accounts of the Company for the year ended 31 December 2021 to shareholders at the AGM. The report of the Directors, the accounts, and the report of the Company's auditors on the accounts and on those parts of the Directors' remuneration report that are capable of being audited are contained within the Report and Accounts. Shareholders are being asked to receive the Report and Accounts.

Resolution 2: Approval of Directors' Remuneration Report

In line with s439 of the Companies Act 2006 (the 'Act'), this Resolution seeks to approve the Directors' Remuneration Report which may be found on pages 92-114 of the Report and Accounts and which gives details of your Directors' remuneration for the year ended 31 December 2021. The vote on this Resolution is advisory and does not affect the future remuneration paid to any Director.

Resolution 3: Declaration of final dividend

A final dividend can only be paid after the shareholders at a general meeting have approved it. Shareholders are being asked to approve a final dividend of 1.46 euro cents per ordinary share which, together with the interim dividend of 1.93 euro cents per ordinary share, would represent a full year dividend of 3.39 euro cents per ordinary share in respect of the year ended 31 December 2021. The dividend will be converted to Sterling at a fixed rate on 27 May 2022 (the 'Dividend Record Date'). If you approve the recommended final dividend, it will be paid on 23 June 2022 to all shareholders on the register at the close of business on the Dividend Record Date.

Resolutions 4 to 12: Election and Re-election of Directors

Resolutions 4 to 12 seek your approval to elect and re-elect the relevant individuals as Directors. In accordance with the 2018 UK Corporate Governance Code (the 'Code'), all of the Directors of the Company will retire at the AGM and offer themselves for election or re-election. The biographies of each of these Directors are included in the Report and Accounts at pages 76-77. The Board has confirmed, following a performance review, that each of the Directors seeking election or re-election continue to perform effectively, demonstrate commitment to the role and that all Directors are sound in character and judgement. The consideration on effectiveness is based on, amongst other areas, the business skills and industry experience that the Directors each bring to the role, which is, and continues to be important to the Company's long-term sustainable success.

Resolution 4 relates to the re-election of Tim Cobbold who will become the Non-Executive Chairman. Resolutions 7, 9, 10 and 12 relate to the election and re-election of Julie Baddeley, Elaine Sarsynski, John Smith and Jeff Vanneste as Independent Non-Executive Directors, who together with Mr. Cobbold, are the Directors that the Board has determined are independent directors for the purposes of the Code (the 'Independent Non-Executive Directors'). Manfred Wennemer has decided not to stand for re-election and will step down from the Board effective from the end of the AGM. Jeff Vanneste had also indicated his intention to step down at the AGM but has agreed to stand for re-election in order to provide the Company with additional time for an orderly transition to a new Audit & Risk Committee Chair.

Having considered the performance and contribution of each of the Independent Non-Executive Directors, the Board considers that each of the Independent Non-Executive Directors continues to be effective and to demonstrate commitment to the role. Taking into consideration the guidance provided by the Code, along with the experience and standing of each of the Independent Non-Executive Directors, the Board is satisfied that each of the Independent Non-Executive Directors offering themselves for election and re-election is independent in character and there are no relationships or circumstances which are likely to affect their character or judgement.

The Company is required to comply with the provisions of the UK Listing Rules (the 'Listing Rules') relating to controlling shareholders and the election and re-election of the Independent Non-Executive Directors of the Company. For the purposes of the Listing Rules BC Omega Holdco, Ltd. (representing funds managed by Bain Capital) is a controlling shareholder of the Company, as a result of them exercising or controlling more than 30% of the voting rights of the Company. As such, the election and re-election of any (Independent) Director by shareholders must be approved by a majority vote of both:

- The shareholders of the Company; and
- The independent shareholders of the Company (that is the shareholders of the Company entitled to vote on the election of Directors who are not controlling shareholders of the Company).

Resolutions 4, 5, 6, 7, 9, 10 and 12 are therefore being proposed as ordinary resolutions which all shareholders may vote on, but in addition, the Company will separately count the number of votes cast by independent shareholders in favour of the resolutions (as a proportion of the total votes of independent shareholders cast on the resolution) to determine whether the second threshold referred to in (ii) above has been met. The Company will announce the results of Resolutions 4, 5, 6, 7, 9, 10 and 12 on this basis as well as announcing the results of the ordinary resolutions of the shareholders.

Under the Listing Rules, if a resolution to elect or re-elect an Independent Non-Executive Director is not approved by majority vote of both the shareholders as a whole and the independent shareholders of the Company at the AGM, a further resolution may be put forward to be approved by the shareholders as a whole at a general meeting which must be held more than 90 days after the date of the first vote but within 120 days of the first vote. Accordingly, if any of Resolutions 4, 5, 6, 7, 9, 10 and 12 are not approved by a majority vote of the Company's independent shareholders at the AGM, the relevant Director(s) will be treated as having been re-elected only for the period from the date of the AGM until the earlier of i) the close of any general meeting of the Company, convened for a date more than 90 days after the AGM but within 120 days of the AGM to propose a further resolution to re-elect him; ii) the date which is 120 days after the AGM; and iii) the date of any announcement by the Board that it does not intend to hold a second vote.

In the event that the Director's election or re-election is approved by a majority vote of all shareholders at a second meeting, the Director will then be elected or re-elected until the next AGM.

The Listing Rules also require the Company to provide the following details:

- (i) none of the Independent Non-Executive Directors has any existing or previous relationships, transactions or arrangements with the Company, or any of its Directors, any controlling shareholder or any other associate of a controlling shareholder; and
- (ii) the Company's Nomination Committee considers the appointment and replacement of Directors and will use open advertising or the services of external advisers to facilitate the search to find suitable candidates for the Board.

Resolution 13: Reappointment of PricewaterhouseCoopers LLP as auditors

The auditors of a company must be appointed at each general meeting at which accounts are laid.

This Resolution seeks your approval to re-appoint PricewaterhouseCoopers LLP as auditors of the Company and to hold office until the conclusion of the next AGM of the Company at which accounts are laid.

Resolution 14: Remuneration of PricewaterhouseCoopers LLP

Shareholders are being asked to authorise the Directors to determine PricewaterhouseCoopers LLP's remuneration as auditors.

Resolution 15: Authority to allot shares

The Act provides that Directors shall only allot shares with the authority of shareholders given at a general meeting. The authority given to the Directors at the last general meeting held on 13 May 2021 to allot shares pursuant to section 551 of the Act expires on the date of the AGM.

Resolution 15 will be proposed as an ordinary resolution for the renewal of the Directors' general authority to issue shares in the Company. The authority under paragraph (a) of the resolution will allow the Company to allot shares and to grant rights to subscribe for or to convert any security into shares in the Company up to an aggregate nominal amount of £1,734,230 representing approximately one-third of the current issued ordinary share capital of the Company (excluding treasury shares) as at 4 April 2022 (being the last practicable date prior to publication of this document). In addition, in line with the guidance issued by the Investment Association, paragraph (b) of the resolution seeks authority for the Directors to allot shares by way of a pre-emptive rights issue up to an aggregate nominal amount of £1,734,230 representing a further one-third of the current issued ordinary share capital of the Company (excluding treasury shares). This authority sought under this resolution will expire at the conclusion of the AGM in 2023. The Directors have no present intention of exercising either of these authorities.

The Company held nil shares in treasury as at 4 April 2022 being the last practicable date prior to publication of this document.

Resolutions 16 and 17: Disapplication of pre-emption rights*

The Act also provides that if the Company allots new shares or sells treasury shares for cash, it must first offer these securities to existing shareholders in proportion to their existing holdings, unless such pre-emption rights are disapplied by shareholders under the Act. The authority given to the Directors at the AGM held on 13 May 2021 to allot shares for cash on a non-pre-emptive basis pursuant to the Act expires on the date of the AGM.

Resolution 16 will authorise the Directors to allot equity securities or sell pursuant to the authority given under Resolution 15 or cash in connection with (i) a pre-emptive offer, or (ii) on a non-pre-emptive basis up to a maximum aggregate nominal amount of £260,135, representing approximately 5% of the Company's issued ordinary share capital as at 4 April 2022 (being the last practicable date prior to publication of this document), in each case without the shares first being offered to existing shareholders in proportion to existing holdings. The Directors have no present intention of exercising this authority.

This disapplication authority is in line with institutional shareholder guidance, and in particular with the Pre-emption Group's Statement of Principles (the 'Pre-emption Principles'). The Pre-emption Principles were revised in 2015 to allow the authority for an issue of shares otherwise than in connection with a pre-emptive offer to be increased from 5% to 10% of the Company's issued ordinary share capital, provided that the Company confirms that it intends to use the additional 5% authority only in connection with an acquisition or specified capital investment.

Resolution 17 will additionally authorise the Board to allot new shares (or sell treasury shares) for cash, without the shares first being offered to existing shareholders in proportion to their existing holdings, up to a nominal amount of £260,135 (that is approximately 5% of the Company's issued ordinary share capital as at 4 April 2022, being the last practicable date prior to publication of this document) in connection with an acquisition or specified capital investment which is announced contemporaneously with the issue, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue.

The Board also confirms, in accordance with the Pre-emption Principles, that it does not intend to issue shares for cash representing more than 7.5% of the Company's issued ordinary share capital in any rolling three-year period other than to existing shareholders, save as permitted in connection with an acquisition or specified capital investment as described above, without prior consultation with shareholders.

The authorities granted under resolutions 16 and 17 will expire at the end of the 2023 AGM.

Resolution 18: Purchase of own shares*

Resolution 18 will be proposed as a special resolution to grant the Company authority to purchase its own shares in the market during the period from the end of the 2023 AGM until the earlier of the close of business on 16 August 2023 or the end of the 2023 AGM. The authority to purchase is for the maximum amount of 52,026,914 ordinary shares, representing approximately 10% of the Company's issued ordinary share capital in issue as at 4 April 2022 (being the last practicable date prior to publication of this document). The maximum price payable for each ordinary share, exclusive of expenses, shall be the higher of (i) an amount equal to 5% above the average price of the middle market quotation as derived from the Daily Official List of London Stock Exchange plc for the ordinary shares for the five business days before the purchase is made and, (ii) the higher of the price of the last independent trade and highest current independent bid on the trading venue where the purchase is carried out at the relevant time. The minimum price payable for each ordinary share, exclusive of expenses, shall not be less than £0.01 per share, being the nominal value of the ordinary shares.

It is the Directors' intention only to exercise the authority to purchase the Company's shares where it could be expected to result in an increase the earnings per share of the ordinary shares. This authority will only be used if the Directors consider that to do so would be in the best interests of shareholders generally. Ordinary shares purchased by the Company pursuant to this authority may be held in treasury or cancelled. Holding the shares in treasury would give the Company the ability to re-issue treasury shares quickly and cost effectively and would provide the Company with greater flexibility in the management of its capital base.

The total number of awards to subscribe for ordinary shares outstanding as at 4 April 2022 (being the last practicable date prior to publication of this document), was 12,712,885 representing approximately 2.44% of the Company's issued ordinary share capital at that date. If the existing share purchase authority given on 13 May 2021 (to the extent not already utilised) and the authority being sought under this resolution were utilised in full, the issued ordinary share capital would be reduced by an equivalent amount and the outstanding awards and options would represent approximately 3.05% of the issued ordinary share capital as at 4 April 2022 (being the last practicable date prior to publication of this document).

Resolution 19: Political donations

Resolution 19 will be proposed as an ordinary resolution to authorise the Company to make political donations and incur political expenditure in the EU for the period from the date of the AGM to the conclusion of the 2023 AGM up to a maximum aggregate amount of £300,000. Part 14 of the Act requires companies to obtain the approval of shareholders before political donations exceeding £5,000 in aggregate in any 12 month period are made to (i) political parties, (ii) other political organisations, and (iii) independent election candidates.

Although the Company does not make what are usually regarded as political donations, it may incur expenditure on such items as sponsorship or attendance at political discussions and business liaison events organised by political parties within the EU on a non-partisan basis in order to make them aware of industry trends and key arguments affecting our industry, as well as supporting the work of think-tanks. Some of our activities may be caught by the broad definitions in the Act, and this resolution is being proposed on a precautionary basis to allow the Company to continue its current activities. The policy of not giving any cash contribution, to political parties or independent election candidates will continue.

Resolution 20: Notice of general meetings*

Section 307A of the Act provides that a general meeting of a 'traded company' must be called by at least 21 days' notice but may be called by at least 14 days' notice if three conditions are met.

The three conditions are that:

- (a) the meeting is not an AGM;
- (b) the company offers 'the facility for shareholders to vote by electronic means accessible to all shareholders'. This condition is met if there is a facility to appoint a proxy by means of a website; and
- (c) shareholders have approved the holding of general meetings on 14 clear days' notice by passing a special resolution at the previous AGM or at a general meeting held since then.

The Directors consider it desirable that they have the option to call general meetings of the Company, other than the AGM, on at least 14 clear days' notice if there are circumstances where that is appropriate. The Directors will only use such authority when to do so would clearly be advantageous to shareholders as a whole and the matter to be considered is time sensitive. Resolution 20, which will be proposed as a special resolution, will implement this proposal and the authority of this resolution will expire at the conclusion of the 2023 AGM when it is intended that a similar resolution will be proposed in order to renew this authority.

Documents available for inspection

The following documents are available for inspection at the registered office of the Company during usual business hours on any weekday (public holidays excepted) from the date of the Notice of AGM until the conclusion of the AGM:

- a copy of the Company's articles of association;
- copies of the service contracts and letters of appointment of the Directors; and
- the Report and Accounts.

Recommendation

The Directors believe that all the proposed Resolutions to be considered at the AGM are in the best interests of the Company and its shareholders as a whole. Accordingly, the Directors unanimously recommend that you vote in favour of the Resolutions, as they intend to do in respect of their own beneficial holdings, totalling 1,972,833 ordinary shares, in aggregate, and representing 0.38% of the issued ordinary share capital of the Company as at 4 April 2022, being the last practicable date prior to publication of this document.

Yours sincerely

Manfred Wennemer

Chair

Notes

1. Any member entitled to attend and vote at the AGM is entitled (unless they have, pursuant to Article 48 of the Company's Articles of Association, nominated someone else to enjoy such a right, in which case only the person so nominated may exercise the right) to appoint one or more proxies (who need not be a member of the Company) to attend and to vote instead of the member. Completion and return of a form of proxy will not preclude a member from attending and voting at the meeting in person, should he or she subsequently decide to do so.
2. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority shall be determined by the order in which the names stand in the register of members.
3. The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with section 146 of the Act ('nominated persons'). Nominated persons may have a right under an agreement with the registered shareholder who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.
4. In order to be valid, any form of proxy and power of attorney or other authority under which it is signed, or a notarially certified or office copy of such power or authority, must reach the Company's Registrars, Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA not less than 48 hours before the time of the meeting or of any adjournment of the meeting.
5. As an alternative to completing a hard copy Form of Proxy, a member can appoint a proxy electronically by visiting www.sharevote.co.uk. You will need your Voting I.D., Task I.D. and Shareholder Reference Number (this is the series of numbers printed under your name on the Form of Proxy). Full instructions are given on the website. The proxy appointment and instructions should reach Equiniti Limited not less than 48 hours before the time appointed for the holding of the AGM or any adjournment thereof. You are advised to read the terms and conditions of use carefully. Any electronic communication found to contain a computer virus will not be accepted.
6. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s) should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
7. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available by logging in at www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by 9.00 am on 16 May 2022. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
8. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions.
